

BINGO

"World's First ..."	White-on-black super	Trump joke	----- -vertising	"We're not an ad agency."
Satirical use of trendy tech	Employees being mistreated	Unsubtle award mention	Shockingly good performance by CD	Shockingly bad performance by CEO
A clever chart	Intern abuse	FREE	Talking to camera	Talking about making AOV video
Talking about making a better video than John St.	Introducing the office robot	Something, something, VR, something	Predictable pop-culture reference	Fake ad for a fake awards program
Dogs/Cats /Foxes	Re-purposed royalty-free music	Over-enthusiastic agency folk	Parody of a parody	Cameos from rival agency creatives

By now there have been enough AOV videos mocking the tropes of the marketing industry to start to produce tropes of their own. While we would never discourage poking fun at our industry's quirks, maybe it's time to poke back a bit. Grab a drink and a dabber, and have fun with this BINGO chart by the Miami Ad School's Runda Dong & Maddie Rosenberg.
